SUMMARY

Full-Stack Web Developer with hands-on proficiency in the MERN stack (MongoDB, Express.js, React.js, and Node.js) and practical experience building responsive, functional web applications. Completed MERN Stack Development training from Samyak IT Solutions and developed multiple full-stack and API-based projects. Highly interested in Artificial Intelligence, Machine Learning, and AI-powered application development, with the goal of building a career at the intersection of full-stack development and AI.

WORK EXPERIENCE

FRESHER

Focused on full-stack development through structured MERN training, hands-on application development, and continuous technical learning. Built practical projects covering responsive interfaces, REST API integration, CRUD functionality, backend services, and database operations.

PROJECTS

E-COMMERCE WEBSITE

React.js • Node.js • Express.js • MongoDB

- Built a fully responsive full-stack e-commerce application with product browsing, product details, shopping cart management, quantity handling, and dynamic pricing.
- Integrated frontend components with backend APIs and database operations, focusing on reusable components and responsive user experience.

GITHUB PROFILE FINDER

React.js • JavaScript • GitHub API

- Developed a responsive tool to search GitHub users and dynamically display profile information and repositories.
- Implemented API integration, search functionality, dynamic rendering, and user-friendly result presentation.

HABIT TRACKER

React.js • Node.js • Express.js • MongoDB

- Built a full-stack application for creating, managing, and monitoring daily habits.
- Implemented habit record management with backend API integration and persistent MongoDB data storage.

BLOGGING WEBSITE

React.js • Node.js • Express.js • MongoDB

- Developed a responsive platform for creating, reading, updating, and managing blog posts.
- Implemented CRUD functionality, REST API communication, and MongoDB-based content management.

STRENGTHS

- Quick Learner
- Consistent Practice Habit
- Problem-Solving Mindset
- Team Collaboration

DECLARATION

I hereby declare that all the information mentioned above is true and correct to the best of my knowledge and belief.

EDUCATION

BACHELOR OF SCIENCE

Mathematics

Mehta Institute of Technology

Jaipur, Rajasthan

ACADEMIC QUALIFICATIONS

12th Passed — 2022

10th Passed — 2020

SKILLS

Languages

JavaScript, HTML5, CSS3

Frontend

React.js, Tailwind CSS, Responsive UI

Backend

Node.js, Express.js, REST APIs

Database

MongoDB, Data Modeling

Tools & Technologies

Git, GitHub, VS Code, Postman, npm, Vite, ChatGPT & AI Productivity Tools

Concepts

CRUD, API Integration, Authentication

TRAINING

MERN STACK DEVELOPMENT

Samyak IT Solutions

Completed professional training with practical full-stack development using MongoDB, Express.js, React.js, and Node.js.
